Friday Speaker: Jessica Haney

I have been married to my husband, John, for 17 years. We have three children; Wesley, Hayden, and Megan. I attend Union 3 Baptist church where I help lead Celebrate Recovery. I have had the privilege of writing a book "The Voices That Often Go Unheard". I am thankful the bondage of addiction has been broken in my life. My desire is to see lost people found, sight restored to the blind, and saved people living in the victory that has already been WON for them. To me, ALL IN means being willing to do whatever, whenever God speaks. I believe we need to allow the Holy Spirit to constantly work on us and in us, so we can be made more like Christ. Always putting ourself last in order for Him to be glorified.

Saturday Morning Speaker: Cassie Shields

I am the wife of 25 years to Jason and mother to Carlie, Brack, and Kristen. I am the secretary and leader of Restoration Women's Ministry at First Baptist Church of Hokes Bluff. As a Hokes Bluff native, I have a deep desire for women in this area to know Jesus Christ as their personal Lord and Savior. To be "All In" requires just what it suggests "all of us". It is not halfway or questioning, but it is to trust God completely with every area of our life. To know that He is in control and what He calls us to do is for our best. It is to be spirit led and not flesh led. "All-In" to me deals with a word that is very hard for so many of us and it is obedience. To be "All In" we must be obedient to God wherever He may lead us. God calls us daily to be "All In!" Sometimes we want to be all in with what we want to do, or what we want to feel, or what we want to see happen. God is calling us to be "All In" for what He has called for us, our family, and our church. I hope that each of you are able to join us at this year's conference as we dive "All In" together.

Saturday Afternoon Speaker: Rebekah Lyons

A national speaker and bestselling author of "You Are Free: Be Who You Already Are" and "Freefall to Fly: A Breathtaking Journey Toward a Life of Meaning." I am married to Gabe & together we are raising our three children and two toy poodles in Franklin, Tennessee. Blinded with despair, I wrestled with the questions, "Why am I here? Does my life even matter?" Searching for meaning, I stumbled into surrender, and discovered that meaning follows surrender.

Strategy Sessions

1. All IN or Nothing with Keena Cox

Discovering your full potential for which you were created and determining who you are in Christ.

2. All In Prayer with Christie Thornton

In a world where there is always a way out, prayer is an all or nothing action to produce powerful, effective outcomes. In this session we will discuss how to have the right heart, right spirit, and right position.

3. All In, But Where DO I Even Fit In? with Leslie Evans (College and Career)

Are you stressed by others asking you questions for your age group? What's your major? Have you found that right one yet? When are you getting married? Let's dive into God's Word and see how we can be set free from the pressure of other people's expectations for our lives and see what God's plan and expectations are for us and how we can be ALL IN with Him.

4. Crushing Unworthiness with Toni Hess (College and Career)

Finding your worth in Christ so that you can follow through in obedience to what God has called you to do.

5. Experiencing Victory in the Crisis of Your Life with Martha Evans

The biggest problem of our life is not our past or our future but it is within us. If we are defeated on the outside it's because we have been defeated on the inside. The most important part of your life is the part that only God sees when you and He meet alone and God gives you the victory. Joshua 5

6. First Things First with Crystal Sparks

In our busy lives how do we keep our feet on the ROCK and stay away from the gravel?

7. House Cleaning with Julia Godfrey

In our spiritual lives we tend to hide things in our basement and attic. These things keep us from being ALL IN.

8. I Surrender ALL with Joanne Brown

In the Bible, Hannah and Mary bore sons under unusual circumstances. Hannah grieved over her barrenness and felt intense shame that accompanied her inability to bear children. Mary was very young and betrothed, but not yet married. She endured other people's doubts, judgement, and gossip. Together we will study the lives, commitments, and prayers of praise offered by Hannah and Mary as they surrendered to God's plan for their special sons.

9. In Over My Head with Lindsey Turner (Sat. Only)

When the cares of the world have buried even the tip of your nose, what does God expect from you? How does God define good and how does surrender equal strength?

10. Me Two Mentoring with Monica Belyue & Cathy King

Obedience, Surrender, and Accountability.
Ecclesiastes 4:9 "Two are better than one..."

11. Reconstructing Relationships God's Way with Tameah Harrelson

Let's tear down our attempts to create what we think is good for our relationships and allow God to build a firm foundation, walls, and rooms His Way. No longer decorating with our decor of manipulation and cover-ups but with His masterpiece. Do we want the finished product to stand for eternity or simply a quick fix? We are either ALL IN or NOT. 1 Cor. 3:7-13

12. Sacred Rest with Carrie Robinson

Do you feel like you can only rest when everything else is done? God has given us the GIFT of rest. How much more productive could we be if we honored God by intentionally accepting His gift? Book Reference: "Sacred Rest" by Sandra Daulton Smith

13. Staying "All In" with Traci Howard

As women trying to juggle life we need to be lifting one another up, encouraging, and edifying each other as we are on this journey of being ALL IN. Surrendering everything to Jesus and being obedient to Him is the race set before us! Come be encouraged to finish the race!

14. The Discipline of Discipleship: God's Word, Work, & Wonder by Andrea Ashley

What does the scripture say about women leaders? We will explore different ideas on making discipleship part of our busy lives.

15. The Virtue of Obedience by Arlene Thibideaux

Obedience takes sacrifice, but in the end the reward is much greater than the sacrifice. How much can we as women accomplish if we obey the voice of God?

16. Walking Away with Donna Huff (Sat. Only)

Approximately 2000 years ago some of those who had faithfully followed Jesus stood at the foot of the cross. It was finished, but little did they know what it meant. Mary walked away from the cross under the care of John, two men started to walk away towards Emmaus, & His plan of redemption was about to be revealed.

17. Word Search: Tips & Tools for Studying God's Word with Christie Pickard

Let's go ALL IN and study God's Word for ourselves.
